PROFESSIONAL

HYGIENE
AT THE HIGHEST
LEVEL OF CLEANLINESS

PRODUCER OF PROFESSIONAL CLEANING AND HYGIENE PRODUCTS

Based on our continuously improving formulas, which are developed in our own laboratory, we have created a wide range of products, including cleaning, washing, and disinfecting liquids, with active chlorine, ensuring high levels of hygiene for households, industrial facilities, and public spaces. We offer products which have a

broad range of applications, including for cleaning in the food industry and agriculture, and which can be used both in automated devices and for manual cleaning. Our products are also ideal for the thorough cleaning of surfaces exposed to frequent and stubborn dirt.

Highly efficient, top-quality concentrated preparations guarantee the highest level of hygiene. All products have the necessary certifications and approvals, allowing us to supply customers both throughout Poland and abroad.

MULTIFUNCTION CLEANERS FOR SURFACE AND FLOOR MAINTENANCE

GEL LAUNDRY DETERGENT

WHITE SHINE

GEL FOR WASHING WHITE AND LIGHT FABRICS

Experience brilliantly clean laundry with a formula designed to keep your whites truly white. This advanced gel protects fibers from dulling, prevents yellowing, and keeps fabrics looking fresh, bright, and radiant wash after wash.

Gentle on materials yet exceptionally powerful against stains, it delivers outstanding results even at low temperatures. Perfect for everyday garments, bedding, shirts, and delicate essentials—your go-to choice for long-lasting purity and comfort.

256 pcs per pallet, 1.5 L per pc.
8 pcs per carton, 1.5 L per pc.

COLOR CARE

GEL FOR WASHING COLORED FABRICS

Keep your colors bold, bright, and beautifully alive. This high-performance gel protects garments from fading and color washout, so every shade stays as vibrant as the day you bought it. Its advanced formula nourishes the fabric's structure, ensuring long-lasting intensity even after repeated washes. Powerful against stains yet gentle on delicate fibers, it keeps your favorite pieces looking fresh, smooth, and brilliantly colorful for longer. Perfect for anyone who wants their wardrobe to shine with confidence.

256 pcs per pallet, 1.5 L per pc.
8 pcs per carton, 1.5 L per pc.

BLACK INTENSE

GEL FOR WASHING DARK AND BLACK FABRICS

Keep your darks deep, rich, and irresistibly intense. This specialized gel protects color saturation, prevents fabrics from looking dull, and helps your favorite pieces maintain their bold, inky tones wash after wash. Its gentle yet effective formula lifts everyday dirt without compromising softness, leaving your clothes smooth, fresh, and beautifully cared for every time.

Created for those who want their dark wardrobe to stay flawless for longer, it's the perfect choice for anyone who values long-lasting elegance and color confidence.

256 pcs per pallet, 1.5 L per pc.
8 pcs per carton, 1.5 L per pc.

FABRIC STAIN REMOVER

REMOVES STAINS FROM ALL FABRICS

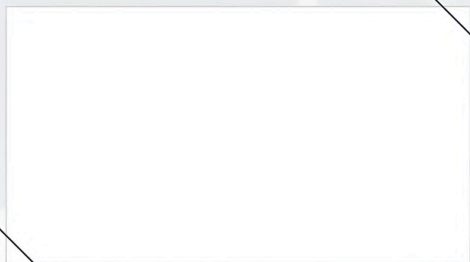

A high-performance stain remover created to rescue your favorite textiles and keep them looking flawless. Its advanced, deeply penetrating formula targets even the most stubborn marks – from food and drinks to grease, grass, and cosmetics – breaking them down with precision while preserving the natural softness and structure of every fabric.

Perfect for anyone who wants their clothes to stay vibrant, fresh, and impeccably clean, wash after wash.

864 pcs per pallet, 500 ml per pc.
18 pcs per carton, 500 ml per pc.
